NABAB COLLECTION

INNOVATION & AUTHENTICITY

Discover our latest NABAB collection, a perfect fusion of contemporary innovation and the natural authenticity of elegant outdoor spaces. Guided by our mission and passion for timeless elegance, we are proud to present outdoor furniture of refined elegance and optimal seating comfort.

Each piece in the NABAB collection embodies simple refinement, a pure and assertive design that highlights the modernity and robustness of teak. Designed by Studio SIFAS, this collection combines the organic beauty and durability of teak with generous, clean and elegant proportions.

In a continued commitment to corporate social responsibility, the NABAB collection from SIFAS highlights FSC-certified Teak, an exceptional raw material that embodies our commitment to sustainability and environmental preservation. The FSC-certified Teak used in our creations comes from responsible sources, guaranteeing the preservation of forests and respect for local communities.

Immerse yourself in the luxurious world of SIFAS and rediscover the timeless charm of high-end outdoor furniture.

Découvrez notre toute dernière collection NABAB, une fusion parfaite entre l'innovation contemporaine et l'authenticité naturelle des espaces extérieurs élégants. Guidés par notre mission et notre passion pour l'élégance intemporelle, nous sommes fiers de présenter des meubles d'extérieur d'une élégance raffinée et d'un confort d'assise optimal.

Chaque pièce de la collection NABAB incarne un raffinement simple, un design pur et affirmé qui met en valeur la modernité et la robustesse du teck. Conçue par Studio SIFAS, cette collection allie la beauté organique et la durabilité du teck à des proportions généreuses, épurées et élégantes.

Dans un engagement continu envers la responsabilité sociale des entreprises, la collection NABAB de SIFAS met en avant le Teck certifié FSC, une matière première d'exception qui incarne notre engagement envers la durabilité et la préservation de l'environnement. Le Teck FSC-certifié utilisé dans nos créations est issu de sources responsables, garantissant la préservation des forêts et le respect des communautés locales.

Plongez dans l'univers luxueux de SIFAS et redécouvrez le charme intemporel du mobilier d'extérieur haut de gamme.

TEXTILES KNOW-HOW

SIFAS premium fabrics have revolutionised our outdoor furniture collections, conveying a contemporary aesthetic and expressing the brand's commitment to excellence. The fabrics are selected to accentuate the garden furniture with a vibrant colour palette, eye-catching patterns and an elegant weave. Carefully chosen for their softness, hard-wearing qualities and durability, the fabrics are deeply impregnated with high-quality pigments to provide vivid colour and exceptional resistance against wear, tear and the weather. They embody the Cannes-based brand's elegance and sophistication, creating a calming ambience combining comfort and style.

Les tissus premium SIFAS révolutionnent les collections de mobilier d'extérieur en apportant une esthétique contemporaine, exprimant l'engagement de la marque envers l'excellence. Les tissus sont sélectionnés pour sublimer le mobilier de jardin en offrant une palette de couleurs vibrantes, des motifs captivants et un tissage élégant. Choisis avec soin pour leur douceur, leur résistance et leur durabilité, les tissus sont imprégnés en profondeur de pigments de haute qualité pour une couleur éclatante et une longévité exceptionnelle face aux intempéries et à l'usure. Ils incarnent l'élégance et la sophistication de la marque cannoise, offrant un havre de paix alliant confort et esthétisme.
